*** NEW ***

Dismissal time for all is midnight Saturday with the allowance and encouragement to stay over till Sunday morning and enjoy the fair. Barns should be empty Sunday by 9 am so we can start clean up. Exhibitors who reside outside of Ontario County may begin packing up and leaving under the barn superintendence supervision at 8pm Saturday based on distance traveled. No break down until 8:00 pm.

Milking cows may leave at 8pm after their show under the barn supt. supervision.

This dismissal time will ensure quality exhibits on hand Saturday for our fair going public, and also relieve traffic congestion.

All assistance in cleaning up on Sunday morning is greatly needed and appreciated.

***NEW* for 2019 Trailer Parking lot- All Trailers will be parked in the designated area.**
